

## 4.5" x 5.5" Single Sided Abrasive Sponges

### Overview:

We are pleased to announce the addition of #1355 Single Sided Abrasive Sponges to the Mirka line of abrasive products. This product is designed for primer or sealer scuffing, new part prep, removing paint defects and feathering paint edges.

- Provides a uniform finish
- Can be used wet or dry
- Foam backing acts as a built-in hand pad
- Flexible for hard to sand contours

***This product replaces Abrasive Sponge part numbers 1354 and 1356.***
