

JAT-620, 3/8" REVERSIBLE AIR DRILL

505620

Rated to last for those demanding 12 hour days, the R12 Series air tools are built to tackle the most extreme jobs. Engineered for Overtime, these tools feature the superior strength and durability needed across a wide range of applications.

FEATURES

- Industrial Jacobs keyed chuck transfers torque when needed
- Composite housing improves balance and reduces weight
- Side-mounted, forward/reverse switch
- Variable-speed trigger for precise speed control
- Rugged, ball-bearing design for durability

RED ASSURANCE LIFETIME WARRANTY

We are confident of every Air Tool we manufacture. To prove it, we back every Air Tool that bears the JET name with a Lifetime Warranty. The JET Lifetime Warranty covers manufacturer's defects, but does not cover misuse, abuse, accidents, negligence, wear and tear, improper repair or alterations.

1 YEAR 'WEAR & TEAR' COVERAGE

JET covers all Air Tool repair costs including parts and labor for the first year of ownership. Proof of purchase is required. JET's 'Wear & Tear' Coverage does not cover misuse, abuse, accidents, negligence, improper maintenance, repair or alterations.
