7 piece accessory kit with blow gun
GRFKIT7

Drain cock / Wing nut
GRF14TDCW

25 piece accessory kit with blow gun
GRFKIT25

All SKUs on this page come in dealer packs of 4.

Grip Rite FITTINGS & ACCESSORIES

About Grip-Rite Fittings and Accessories

This efficient mix of professional quality steel fittings, brass couplers, and accessories allows you to stock the optimal assortment for your customers. This program, with both carded and bulk SKUs, provides the perfect add-on sales opportunity for your Grip-Rite pneumatic products.

Trust Grip-Rite for the finest pneumatic accessories.

Plugs - are heat treated to help eliminate failure at critical wear points. Professionals prefer steel construction plugs due to their superior wear resistance and longer life.

Couplers - have stainless steel ball bearings to ensure a secure connection. Professionals prefer solid brass couplers due to their non-sparking attributes and higher corrosion resistance.

Fittings and Accessories Display

Grip-Rite's comprehensive assortment of pneumatic accessories can now be merchandised on its very own display rack. This easy to set-up rack can be merchandised on pegboard, slot wall or as a freestanding counter unit.
