

Lamello

Dosicol, Minicol, Servicol

The convenient glue applicator for easy, clean and efficient wood joining jobs!

Lamello applicators put your glue on the sides of your slots and dowel holes, not wasted at the bottom. Using less glue and saving money. Properly dispensed glue makes better joints with less cleanup.

Dosicol

Servicol

Minicol

Lamello Dosicol

Handy, lightweight glue applicator with an adjustable metering pump makes large gluing jobs easy.

One stroke glue application. The volume is freely adjusted by a metering ring on the neck of the nozzle.

- Highly efficient
- Accurate dispensing
- Optimal for biscuit and dowel joints with corresponding nozzles
- Large opening for easy filling
- Bottle stand with moistener (sponge) for short work interruptions
- Water container for easy and safe storage
